

electrical LABEL DISPENSERS

... just pick and stick !

The ideal solution for easy, time saving label handling for all kinds of labels. Robust, trouble-free and operator-friendly as well as impressive in efficiency. For both cut and die-cut labels, fan fold or in reels. Take away the label, the next one is automatically offered for removal. Piece by piece the labels are peeled off from the backing paper.

Either controlled by micro-switch or reflecting photo-cell. The backing paper is rewound.
